BDNA 2015 AGM

Dear members,

Today you will receive the notice for the 2015 BDNA AGM to be held on 11th May 2016.

It has been a while since our previous AGM due to the change in our financial reporting years from June yearend to a December yearend.

Over the past years we have gone through a number of significant challenges which as a result of due diligence by current board members BDNA is now in a good position in all aspects including financially, competitively and continues to grow in all capacities.

Some of the current dedicated board members have been on the Board for up to 5 years and feel considering the position BDNA is now in, it is time for a change as BDNA moves forward.

As mentioned in the AGM notice there will be 7 positions available on the BDNA board. 5 positions will be for a period of 2 years and 2 positions will be for a period of 1 year.

As a result of the above I would like to appeal to all members to consider nominating for a position on the BDNA board. The ideal would be that all clubs in the association have representatives at Board level. I would strongly encourage all clubs to canvass their members to ensure all positions are filled.

Unfortunately if the required numbers are not achieved the outcome would be to dissolve the association which would be disastrous for the BDNA Netball community.

Please ensure your club does all it can to ensure the future of our association.
